Remark. Region: 16999 – Eisenach/Wartburgkreis – DEGZZ

In 1998 the city Eisenach (region code 16056) was separated from the county Wartburgkreis (region code 16063) as a new NUTS level 3 unit. For our analysis we decided to continue with the old regional definition of the county Wartburgkreis which includes the city Eisenach beyond the year 1997. To avoid confusion the new region code 16999 (NUTS code: DEGZZ) was assigned to the combined county Eisenach./Wartburgkreis
